MEMBER BENEFITS

Equestrian South Australia

Equestrian South Australia (ESA) is the peak body that administers equestrian sport in South Australia under the rules and standards set by Equestrian Australia and the Federation Equestre International.
ESA's role is to promote, develop and grow the equestrian sports of Dressage, Eventing, Jumping, Interschool, Show Horse, Vaulting and Carriage Driving throughout South Australia and enable sport committees and more than 80 affiliated clubs, to deliver competition and education opportunities in a safe environment

INSURANCE

Your membership provides you with 24/7 personal accident and public liability insurance cover that is second to none. Your ESA insurance covers you for any activity when you are handling your horse, whether in the paddock, on a trail ride, at a clinic or competition and when you are travelling to and from events. The insurance will also assist while you are off work with a loss of income protection component.

EDUCATION

ESA offers a range of educational and training opportunities and accreditation to our members from horse management, riding, officiating and coaching through the National Coaching Accreditation Scheme.

COMPETITION PATHWAYS

Being a member of ESA means you can compete at participant level in all our administered disciplines, or at competitive levels where you have the opportunity to be selected and supported in our high performance squads. Achievements at all levels are recognised through prizes at events, leader-boards and annual awards for each discipline .

DEVELOPMENT PROGRAMS AND GRANTS

ESA members have access to reduced fees at clinics and workshops through the grants we provide to our disciplines. There are also other grants which ESA members are eligible for, including grants through external agencies

MEMBER SERVICES

ESA recognises and rewards the contributions of our members through our annual awards programs. Through the *MyEA* member portal you can access and change all your member details, register a horse, follow performances and access the history of results for your registered horses at official events. Members receive the latest equestrian news, including rule changes, calendar of events and results in our quarterly-news .

Membership prices start at 38 cents per day or $140 per year.
