To be the FEI Champion, the horse must compete in two FEI classes and the appropriate Freestyle for its level (see starting possibilities rule 1.15.3).

The selection of the Pony Champion (competing in Classes 1, 6, 11, 16, 21) will be made by combining the performances of two consecutive level classes (either Preliminary and Novice or Novice and Elementary etc) and using the ranking points system as per EA Rule 8.9. Where there is an equality of points, the Championship will be decided according to the highest aggregate percentage.

The selection of Amateur Owner-Rider Champions at Preliminary, Novice, Elementary, Medium, and Advanced will be made using a separate ranking points system for declared AOR in each competition, using as a guide EA Rule 8.9. AOR ranking in each event will be allotted points for their placing – eg 30 for first AOR, 29 for second AOR etc. The total number of points at each level for each horse will be added and the horse with the highest number of points will become the AOR Champion for Preliminary, Novice, Elementary, Medium, and Advanced. Where there is an equality of points, the Champion will be the horse with the highest aggregate percentage at that level. (Note: no AOR awards for EA Freestyle). The FEI AOR Champion will be based on the Aggregate of two FEI levels **AND** appropriate Freestyle, using the same points system. To be the AOR FEI Champion, the horse must compete in two FEI classes and the appropriate Freestyle for its level (see starting possibilities rule 1.15.3).

Team events: The scores used are taken from the Preliminary 1:3, Novice 2:3, Elementary 3:3 for the EA Team and the Medium 4:3, Advanced 5:3, PSG for the EA-FEI Team.
