# Policy & Procedure for Application for Funding

## History and Philosophy of the International Competition and Development Fund [ICDF]

The International Competition and Development Fund was originally established to recover funds expended in connection with the 1990 Stockholm World Equestrian Games, and to accumulate funds for Australian participation in future international competitions. Funds are collected by way of a levy imposed on all EA members throughout Australia. A portion of receipts is set aside for use by non-Olympic Disciplines.

*The Fund supports projects and events that either clearly fall into the “international competition” category or can be demonstrated to further the “development” of the sport in general or of a particular discipline. “Development” predominantly denotes workshops and seminars for the training of judges and officials, and other activities carried out for the development of competencies, including opportunities for skill practice (through competitions and events).*

## Basic Requirements:

1. To be considered, funding must be linked to an event and be directed towards either:
  - a) **International Competition**
    - Travel and/or accommodation cost for foreign technical officials (such as judges, technical delegates, course designers and stewards) at Australian FEI events, especially if they run clinics for the education of officials.
  - b) **Development of the Sport**
    - Workshops and seminars with FEI-level course directors, for the training of judges and other officials and other activities carried out for the development of competencies, including opportunities for skill practice (through competitions and events).
    - Limited start-up funding for new FEI-level events (no continued event funding on a yearly basis).
2. Applications require **endorsement of the Chair of the respective National Discipline Committee and your State CEO** before they are considered by the ICDF Committee. Such endorsement must be included with the submitted application. Contact email addresses for National Discipline Committee Chairs and State CEOs are tabled at the end of this application form.
3. Applications and supporting material **should be sent to: [kirsty.pasto@equestrian.org.au](mailto:kirsty.pasto@equestrian.org.au) in electronic format** enabling efficient processing and response. NB: Postal applications will not be accepted.

## Funding Commitments:

1. To receive an ICDF Grant, the following commitments must be made;
  - a) **Media**
    - The Organising Committee (OC) must prepare a media and communication plan and implementation strategy three (3) months prior to the event and submit to EA. If the event is to run prior to October 2017, this documentation must be submitted by **1 July 2017**.
    - The OC should liaise with EA media team to ensure all press needs are catered for in the lead up to and at the event.

- EA will be recognised as a partner of the event for our support including the provision of:-
  - i. Press releases (if applicable)
  - ii. Acknowledgment on event online platforms
  - iii. Media guides (if applicable)
  - iv. Media accreditation (provided to EA staff if requested)

**b) Marketing and Branding**

- EA's logo is to be used and recognised as an event sponsor as part of all marketing collateral and should adhere to EA's brand guidelines.
- All marketing collateral should be sent through to EA for approval (allowing for a minimum 3 day approval process).
- EA branding should form part of the event promotion including:-
  - i. PA/MC recognition
  - ii. Logo recognition across all marketing collateral including event program, website, big screen, posters and other
  - iii. Program advertising (where applicable)
  - iv. Display of advertisement on big screen (if applicable)

**c) Corporate Event Hospitality**

- The OC will, as a minimum, invite the EA Chair and EA CEO to all special functions held as part of the event and, should they so wish, allows the EA representative to present an Award.
