

2019 INTERSCHOOL LEADERBOARD

In determining selection for the State Team, ESA will consider the **best two results** for each horse and rider combination (provided that they are qualifying performances) from any of the qualifying events.

In order to assist with ranking of horse/rider combinations for State Team selection and for determining the High Point Discipline Champions at the end of the qualifying season, points will be allocated for each class at every qualifying event. At qualifying events (except the ESA Interschool State Championships), the first 20 place getters in each class will be allocated points from 20 to 1. At the ESA Interschool State Championships, the first 25 place getters in each class will be allocated points from 25 to 1.

The Interschool Scoreboard will be prepared and updated after each qualifying event, which will show the points given to all horse/rider combinations registered for Interschool. This Scoreboard will be available on the ESA website. As a result of this Scoreboard, performance cards will not be issued to riders.

Please note that **NO** points will be allocated if the combination does not achieve a qualifying performance or has not registered for Interschool before close of entries of the event.

NOTE: **Green** = qualifying scores & attract points

Black = non-qualifying score & do not attract points

***This paragraph is taken directly from the 2019 Selection Criteria – please refer to the entire document for further clarification.**
