We hope you have an enjoyable competition. In order to make your participation at this event as safe and pleasant as possible, please read and consider the following pages.

The Australian Interschool Championships will be held in Sydney in 2019 and we know many riders are keen to be part of this great experience. We welcome our new young riders who are participating for the first time and look forward to having you as part of interschool. Last year South Australian riders attended the Marcus Oldham 2018 National Championships in Weribee, Melbourne. We hope this year to have a fun and enthusiastic team that works and supports each other and represents South Australia with pride.

All official classes will receive school point allocation to contribute to the School High Point Perpetual Award, the winning school to be announced at the Awards night – date to be confirmed. Interschool SA aims to encourage school-aged riders to develop the individual through the discipline of equestrian sport.

The 4 main objectives of Interschool SA are:

- To promote equitation education and equestrian sport in school programs within South Australia;
- To provide a competition structure that will give opportunities for SA Interschool riders to progress to a national level with the aim of developing excellence in equestrian sport;
- To encourage the development of discipline, character, sportsmanship, teamwork and a sense of achievement in Interschool riders in SA; and
- To reward and educate riders in horsemanship and horse management with the aim of creating a competitive sporting environment that places the welfare of the horse at the fore.

General Information:

- Catering will be available all day from the canteen
- Riders are to wear a shirt and tie with either a school windcheater, jumper or hacking jacket (not school blazer) or their school's recognised equestrian uniform.

Major Sponsor:

We are pleased to welcome **Thomas Foods International as our Major Sponsor** again for Interschool. Awards

- **Overall Winning School Team on the day**
- **Overall Champion & Reserve Champion for each class**
- **Overall Champion Primary & Secondary for each discipline**

Teams:

All riders from the same school are considered to be in the school team. At the time of entry all riders must enter the school name in the correct format. The top four individual rider's scores for each school are considered for the team aggregate score. No composite teams are allowed.

If a rider has two horses then each is treated as a separate combination for point scoring and only one can count in the top 4 riders for the school points. A trophy will be awarded to the highest placed school, with rosettes to all members of first-third placed teams.

Individual riders:

Schools that cannot field a team of four or more competitors are encouraged to enter riders as individuals, provided they are endorsed by the school. School uniform rules apply to individuals as well as teams, individual riders can qualify for the Australian Interschool Championships.

Each phase/test in a class will have 25 points allocated from 1st receiving 25 points down to 25th receiving 1 point. If there are more than 25 riders in a class they receive no points beyond 25th place. Ribbons will be awarded to first – third place getters in all phases.

Championships will be placed 1st to 2nd and will be determined based on the points earned across the phases/tests in a class eg. points earned in both novice dressage tests are added together to determine the championship. If you enter show jumping and jump in 3 phases you will receive the points for every phase where a rider places 1st to 25th, overall show jumping winner will be the rider with the most points across all three phases.

Champion points are awarded only where an athlete has completed all phases of a class without elimination or disqualification.

Equality in class placings will be resolved for places 1st to 6th. If equality cannot be resolved, riders will be awarded equal placing and share points. For example one rider may be awarded 6th place and receive 23 points, two riders may be awarded 7th place so each will be awarded 21.5 points, then the next placed rider would be awarded 9th and 20 points.

The individual rider points are determined by accumulating only the best 4 scores for each rider, so the maximum possible points per rider is 100, the championship points are not included only phases/tests.

- Riders are only permitted to compete in **one class per horse**.
- The same horse and rider combination must complete both phases of the competition. Elimination from one phase involves elimination from the competition.
- No whip is allowed in the dressage phase, however whips of no more than 75cm are allowed in the jumping phase.

Scoring System

- As combined training runs under Eventing rules, riders are placed based on the number of penalties they incur over the 2 phases. This means that the rider with the least penalties when penalties from the dressage and jumping phases are added will be the winner. Dressage penalties are calculated by subtracting the average percentage from 100 and multiplying it by 1.5. The result is always rounded to one decimal point. Jumping penalties are calculated in the normal manner as per Jumping.
- In the case of equal scores for placings in a class, the rider with the best dressage score (least penalties) will be the higher placed. If equality still exists, the closest to the optimum time (under the time set) in the jumping element will be the higher placed. If there is still a tie, then the placings will be shared and the subsequent place not awarded.
- In each class the first placed horse will get 25 points, second will get 24 points, third will get 23 points and so on down to 25th horse receiving 1 point, if there are more than 25 riders in a class they receive no points beyond 26th place. Codes of Conduct for Equestrian South Australia Interschool Events

As a condition of entry all participants shall accept and be bound by the rules of Equestrian Australia. All competitors and their associates shall accept and be bound by the Equestrian Australia Codes of Conduct for Competitors, Spectators, Horses, Volunteers as well as other relevant Codes and Policies relating to the conducting of an equestrian event. The conduct of members of the sport overall is controlled by the "EA Member Protection Policy" which can be found on the Equestrian Australia national website.

The welfare of the horse is paramount and instances of cruelty or mistreatment will be recorded and acted upon. Horse abuse in any form will not be tolerated. If horse abuse is determined the rider will be disqualified from the competition. Unsportsmanlike behaviour of any sort will not be tolerated and may incur disqualification.

The Interschool State Championships is run by volunteers and as such these people deserve respect and courtesy from competitors and their associates. It is expected that both riders and their support teams will adhere to the rules of the competitions in which they participate and that they will show respect for other competitors, their horses, officials, judges and others in their actions and their words. In most cases everyone is attempting to do the best for the whole group of riders and whilst an issue can seem all consuming to an individual at the time, the reaction to it and the resultant behaviour needs to be tempered with reason.

- Any abuse either by rider parent or associated persons, aimed at any volunteer acting as an official will not be tolerated.
- Any incidents of this nature will result in immediate disqualification of the rider from the competition.
- Riders and their associates should adhere to the instructions and directions of any official at all times.
- The use of offensive language and /or displaying offensive behaviour to one's horse, to officials to judges or any other person at the competition will not be tolerated.
- Breaches of these general conduct practices will result in elimination from the competition.

Important Etiquette

Please respect the riders and horses by not yelling, running or interrupting when they are competing. It is particularly important during a busy competition to exercise restraint and quiet where possible, since horses are upset by sudden noise and movement and could endanger children and others on the grounds.

Please be mindful when entering classes that the welfare of the horse is paramount and organisers have the right to refuse entries should they believe this has been breached.

Uniform

Riders are to wear a shirt and tie with either a school windcheater, jumper or hacking jacket (not school blazer) or their school's recognised equestrian uniform. White or light coloured breeches or jodhpurs. Long or short riding boots. Riders may wear gaiters made from full grain leather, either black or brown to match boots.

Helmets

Athletes must ride in EA approved safety helmets at all times as per National Sport Rules for each discipline. Helmets must be securely fastened and failure to comply with this regulation will result in elimination from the competition.

Whips

As per EA Rules for each discipline.

Soundness

The judges are required to satisfy themselves regarding the soundness of all horses, therefore judges have the authority to stop an unsound horse from competing prior to or during competition.

Reporting & Safety Measures

To keep the event running as close to schedule as possible we will need the cooperation of riders, their school representative and parents to ensure that riders are on time for their classes. Allocated rider times may vary slightly, but the draw order will not – unless there are individual scheduling conflicts. Riders must be ready to ride in the order in which they are called.

Competition objections and disputes

At every competition it is likely that there will be mistakes made in relation to scoring or the eligibility of riders to compete. Any objections must be made to the organising committee within thirty minutes of the event giving rise to the objection.

If you wish to lodge a protest this must be made in writing and submitted to the event secretary no later than 15 minutes after the posting of final results, and must be accompanied by a \$100 non-refundable protest fee. Once lodged, the objection will be considered by a Ground Jury. Their decision will be final and no further discussions will be entered into.

In the interests of promoting a friendly competitive atmosphere individual riders or their parents may approach the organizing committee for any of the following:

- To ask clarifying questions;
- To request a recheck or recalculation on a result should an obvious error be noted; and/or
- To bring to the attention of the organising committee other errors (such as a rider allocated to the wrong school, or a child allocated to a primary class when they should ride secondary).

Presentations

Competition attire is to be worn. Ribbons will be forfeited if neither the competitor nor a representative is present. No protests or disputes will be entered into after the presentations.

DISCLAIMER OF LIABILITY

Neither Equestrian South Australia or Equestrian South Australia Interschool nor any of their officers, servants, or agents shall be in any way liable for anything that may happen from any cause or circumstances whatever to exhibitors, competitors or members or their servants, agents or to anyone on the grounds or to any animals or article exhibited or to any property brought to the grounds or for any other loss, claim, matter, circumstances or event whatsoever in connection with or arising out of or attributable to the event or any journey to or from the event or any other Rules and Regulations or Special Conditions prescribed by them.
