| Sunday 1 September    | 6.00 pm |
| Wednesday 4 September | 3.00 pm |

### IMPORTANT INFORMATION

*Due to the complicated nature of programming, there are likely to be clashes between some classes.*

*We are aware of these and every endeavour has been made to minimise them where possible.*

*However, due to as many as four rings being run at the same time, it is not possible to eliminate all clashes. Therefore, where these occur, the exhibitor may have to make a choice between one class and the other.*
