## FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.

Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.

Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.

Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

## MEET OUR JUDGES

### Jody Cavuoto

I havebeen an A-Level Dressage Judge since 1989, bringing nearly four decades of official judging expertise alongside a diverse competitive background. After coming up through the Pony Club ranks to achieve my A-Level Certificate, I competed and won in One- and Three-Day Eventing, and reached Senior B & C Grade levels in Show Jumping. Transitioning to dressage, I competed and won at State and National levels up to and including Grand Prix. My classical foundation was shaped by Marian Malecki—focusing on the correct seat, acceptance of the bit, balance, and relaxation—before I advanced my training in Germany under the legendary Willi Schultheis and the late, great Dr. Reiner Klimke. Today, I remain an active coach, trainer, and rider, and am happily married with an adult child. My goal in the judge's box is to uphold the highest standards of our sport while offering constructive insights to support the progressive development of horse and rider.

### Jen Gilligan

Jenisa B level dressage judge and has officiated in S.A. and throughout Australia, including National Dressage Championships and Interschool Nationals. She is a Young Horse judge & Judge mentor, as well as a State Dressage Selector. She is also a L2G Coach and has loved coaching and competing in Eventing right up until 2 years ago. She still goes to Darwin 2/year to coach. PERPETUAL TROPHY

Horses have played a dominant role in Erica's life since early childhood. Born on 8 December 1933, she grew up on a farm where her father bred trotting horses. Erica learnt to ride as a three-year-old, even riding her ponies to school.

Initially, Erica loved Jumping before her passion turned to Dressage. Throughout the 1980's the diminutive Erica, who is just 5'5" tall, and her Australian Thoroughbred stallion (he was also a registered stock horse), Crown Law dominated local competition. The pair won the Group III section of the Haig Cup FEI International Dressage competition (later known as the Samsung) in 1983, 1984 and 1985.

Erica, again on Crown Law, was one of the first Dressage riders to represent Australia at the World Dressage Championships at Cedar Valley, Canada in 1986. The pair went on to compete at the 1988 Olympic Games in Seoul, making them the second-ever individual Dressage combination to compete for our country at an Olympic Games.
Further to those achievements were the many successes they achieved on home turf, including at the National Championships.

Erica has also been a long-term supporter of dressage in Australia. She has been a member of the Dressage SA Committee for more than 20 years. Erica is a judge, selector, coach, and mentor and is the patron of the Adelaide Hills Dressage Club Inc. In 2010 Erica was awarded the Inaugural Lindy Wright Medal by the Lindy Wright Memorial Foundation.

# CROWN LAW MEMORIAL TROPHY

Crown Law entered this world with Erica, being a foal out of a mare exchanged for a debt! She decided to see what he would grow into, liking what she saw straight away. He became a thoroughbred and stock horse registered stallion and would take her on a ride of a lifetime! His nature and temperament were amazing.

During the 1980s the pair dominated dressage, winning the premier event, the international Haig Cup - later called the Samsung Cup. They won it in 1983, 84 and 85. They won numerous National Championships before representing Australia in the World Dressage Championships in Canada in 1986. In 1988 they were only the second person selected to ride in the individual dressage competition at the Seoul Olympic Games.

Judge, selector and holder of far too many hats to mention here, it was fitting that she be awarded the inaugural Lindy Wright Medal in South Australia. She competed until 2007. Her husband Les was a wonderful support to her and when he became ill, she cared for him.

There are two excellent stories about this pair - they can be found on the EA website and The Horse Magazine's web page.

PERPETUAL TROPHY

Marian Malecki was one of the most influential figures in the equestrian sport who set the standard in striving for excellence.

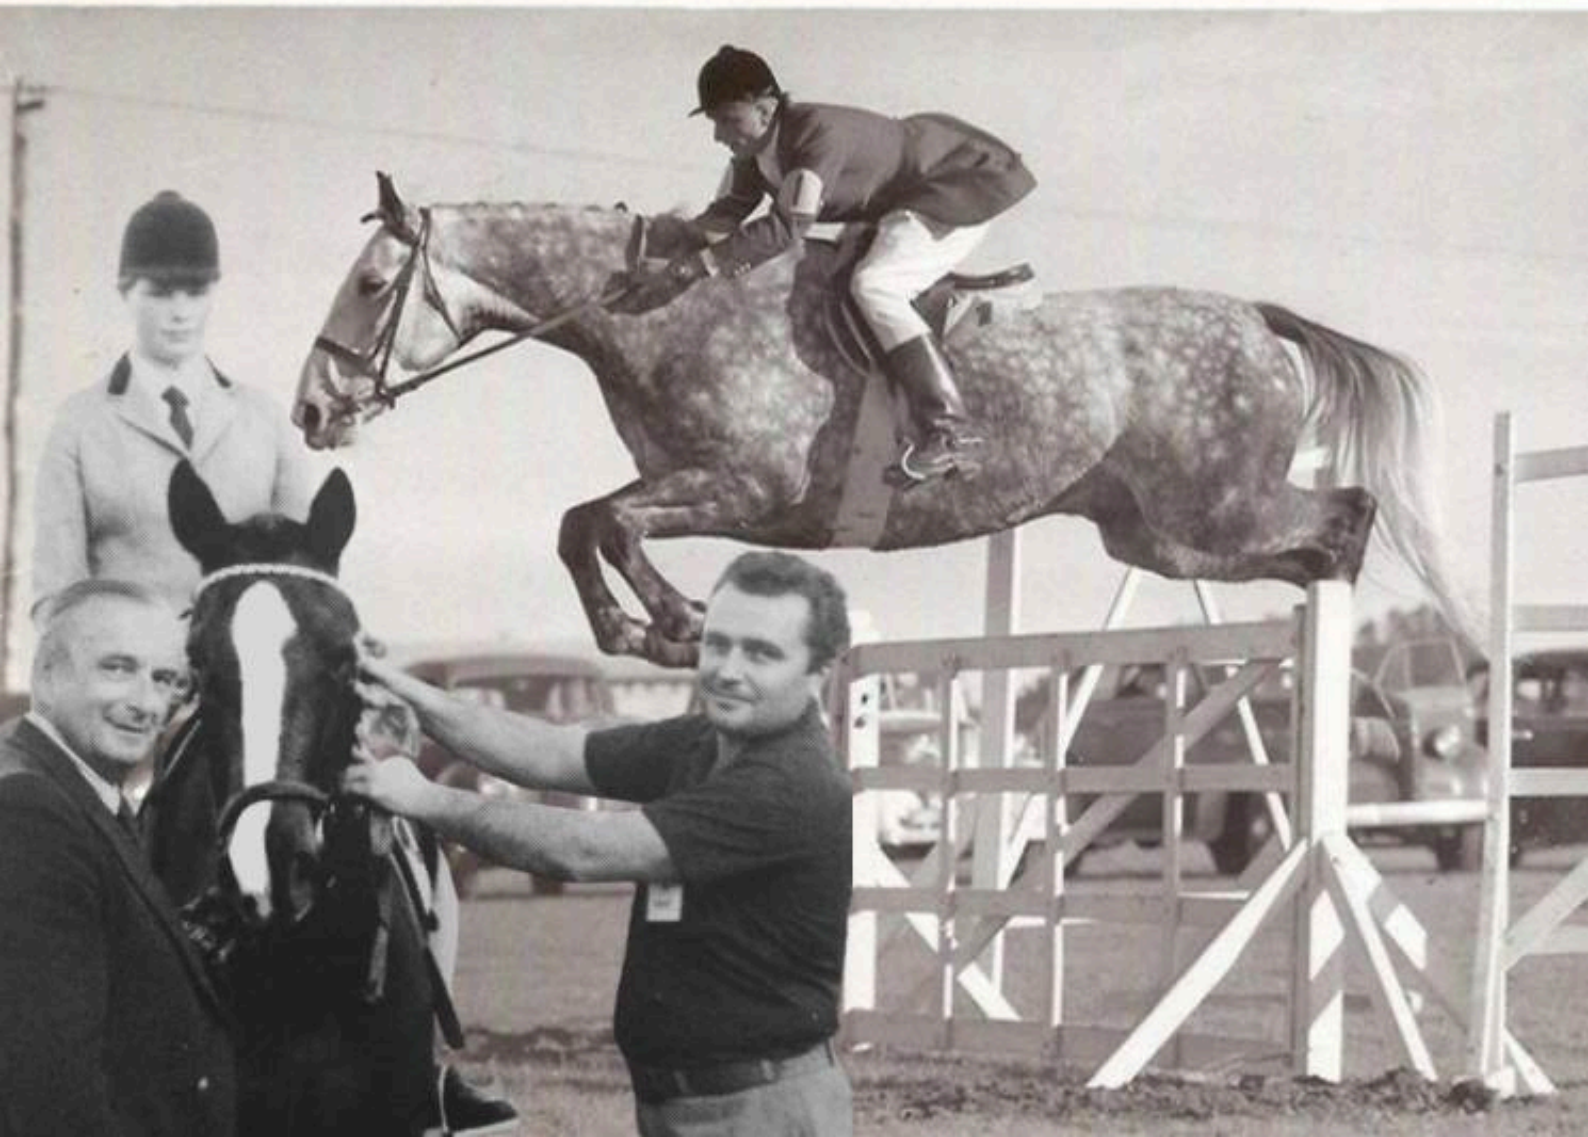

He was extremely tough and disciplined with his students and would never settle for second best; always putting the horse first.

He was known for his exceptional eye for talent, creating harmonious balance between horse and rider with a focus on soft hands and a good seat.

His legacy still remain through riders today and hopefully will never be lost.

# WYEBO SKYLARK MEMORIAL TROPHY

Known as Sky at home, this 12.2hh grey Welsh Mountain pony was born in 1981 with a heart of gold! Purchased in 1990 for Elizabeth by her mum Wendy they went on to compete and win in the showring at Royal Show level. They often swapped the show hat out for other pursuits such as novelties, jumping and even stock work on the family farm at Yankalilla.

All this aside this was a very successful dressage combination winning many championships from preliminary through to elementary but most importantly giving Elizabeth vital lessons and feels the formed the basics for her successful dressage career that followed.

When Sky passed in 2005, Elizabeth and Wendy felt it was only fitting to donate the memorial trophy that is now awarded to the most successful YR across all classes at this championship to honour this very special pony!
