ACN 077 455 755

FIRST PASSED PURSUANT TO THE CONSTITUTION OF  
THE COMPANY AT A MEETING OF DIRECTORS ON 12 JULY 1999

Last amended: 24 May 2016

## **DISCIPLINARY BY-LAWS**

### **INTRODUCTION**

These By-Laws have been adopted by the Directors of the Equestrian Australia Limited ("EA") and apply primarily to events sanctioned by EA and its Branches. However, Tribunals established under these By-Laws shall also be empowered to deal with allegations of members of EA or a Branch committing offences under these By-Laws at any time during the term of their membership.

The By-Laws follow as closely as possible the rules laid down by the Fédération Equestre Internationale (FEI). However if matters arise which are not covered in these rules then the FEI regulations and rules apply. In the event of a conflict between these rules and the FEI regulations and rules, the FEI rules will prevail unless they have been specifically excluded.

It is the duty of a Tribunal established in accordance with these By-Laws, to make a fair decision in a sporting spirit while adhering as closely as possible to the intention of these rules.

### **INTERPRETATION**

1. Headings are inserted for convenience and do not affect the interpretation of those rules. The singular includes the plural and vice versa.

  - 4.2. Disqualification from an event means that the competitor and horse or horses concerned - even should they change ownership - may take no further part in that event and it may include (in addition to what is mandated under paragraph 4.1.) the forfeiture of any prize money won in previous competitions at that event where this is provided for in the Statutes, Regulations or Rules.
5. A suspension, on such terms and subject to conditions as the Judicial Committee may impose, is appropriate in cases of intentional or very negligent violations or contravention. In certain cases suspension may be automatic under the Statutes, Regulations or Rules.
  - 5.1. Suspension must be for a stated period and during that period the person or body suspended may take no part in competitions or events as a competitor or Official or in the organisation of, or participation in, any event under the jurisdiction of the FEI or any event under the jurisdiction of an NF in accordance with Statutes Art. 062.
  - 5.2. In deciding when any suspension will commence, the appropriate body shall, in order to achieve a just penalty, have regard to the gravity of the offence.

A fine of CHF 1,000.-to 15,000.- can also be imposed;
    - 6.2.2. If the Person Responsible can prove that it was not a deliberate attempt to affect the performance of the horse or that the findings are the results of legitimate treatment of the horse or of one or more parts of his body, the sanction may entail a fine up to CHF 15,000.- but a suspension from 1 to 3 months may also be imposed;
  - 6.3. Abuse of horses in any form (rapping, abnormal sensitisation or desensitisation of limbs, banned schooling methods etc.) shall entail a fine of CHF 1,000.- to 15,000.- and/or a suspension of 3 months to life;

- 7.1. In cases of offences mentioned in paragraphs 6.3 and 6.4 above and which are of a less serious nature, the President of the Ground Jury, the President of the Appeal Committee and the Chief Steward, instead of instituting the procedures foreseen in the legal system, may deliver to the Person Responsible a yellow warning card, either by hand or by any other suitable means. The acceptance of a warning card suspends any penalty until new offences take place.
- 7.2. The Person Responsible may or may not accept the warning card. If the PR does not accept a card which was delivered or presented during or after the event, the event officials may take any action within their capacities deemed necessary and shall report the case to the Secretary General for any further action deemed necessary. Should the same Person Responsible receive one more warning card at the same or any other international event within one year of the delivery of the first card, the case shall be submitted to the Judicial Committee.
8. Where a warning card has been accepted, the offence for which it was delivered shall be taken into consideration when deciding the penalty to be imposed for a similar offence committed within the next twenty-four months.
9. The penalty imposed in any given case can consist of a combination of fine, suspension and disqualification. The amount of a fine and the duration of a suspension shall be decided according to the guidelines mentioned in paragraph 6 above and to the circumstances of the case.
10. All fines imposed by anybody under the Legal System are due to the FEI. They must not be paid to the OC or any other body but must be paid to the FEI on receipt of a demand. Any person who has not paid a fine within 30 days of receiving a demand for payment will be automatically suspended until the fine is paid. If fines are inadvertently paid to the OC or any other person such fines shall be remitted to the FEI.
11. Decisions of the Judicial Committee may also impose on unsuccessful parties the payment of costs borne by the FEI for the judicial procedure in the amount of CHF 500.- to 7,500.-. In addition, a party may be ordered to pay further costs not exceeding CHF 10,000.- if the costs of the procedures borne by the FEI have been increased by conducting a hearing or by excessive prolongation of the procedures or other exceptional cause. In the interests of fairness, the cost to the FEI of any hearing which is held in conjunction with other hearings or with an administrative meeting of the Judicial Committee shall be separately calculated.
