

## Eventing SA Performance Medals for EvA 65 and 80 cm riders.

### Sponsored by Hallmark Farm

Horse and rider combinations will be awarded eventing medals for achievement at EvA65 and 80 levels. These can then be worn on the rider's jacket. Please see the design below.

Within a two year period a horse and rider combination needs to achieve three results at SA events finishing on or below the required score. The current period is from 1<sup>st</sup> July 2024 to 30<sup>th</sup> June 2026.

- Within a single two year period a horse /rider combination may be eligible for one medal. For example, if they achieve three scores between 34-36, as per the chart below, they will earn a bronze.

A combination may only achieve one bronze, silver, and gold medal at an event level. For example, having achieved a bronze medal, in future two year cycles the combination may earn a silver or gold medal but not an additional bronze at that level.

If a combination has achieved a gold, no further medals for that combination will be attainable at that level.

- Only South Australian events are to be included.
- A rider must have been an ESA member throughout the competing period.
- Riders will be invited to apply for their medal by supplying a record of their qualifying results at the end of each financial year.
