

Trot in across the diagonal to the bottom left corner and track right. Trot half a circle right. Pick up canter and canter a circle on the right rein. Come through the centre change rein (change optional) and canter a half circle on the left rein. Gallop along the top of the arena, down the short side and across the bottom of the arena. Came back to working canter on the short side, then working trot. Trot across the top of the arena, down the short side and exit across the centre line.
