- Judges who, after a period of extension, still do not meet the requirements will be downgraded at least 1 level

Compulsory Seminar – you must make sure that your attendance is recorded on the attendance sheet:

- **G to A –** must have attended, in this four year period for this reaccreditation only, a seminar at your level. However, to <u>maintain accreditation</u> G level judges may attend any F seminar and F level judges may attend any G seminar

- Only workshops approved by the State JSC or EADOC will be recognised

Judging - Official Competitive and Other competitions - Judging required over this 4 year period

- All judges
 - due to COVID restrictions resulting in a number of events being cancelled or unable to be held, as long as you have judged at least 6 competitions, with a minimum of two of these at your highest level, you will be considered as having met the judging requirement for the re-accreditation period ending 31/3/22. For G levels this may include Eventing dressage.

Note – if you have upgraded during the re-accreditation period please note this and this will be taken into consideration when assessing what you have judged at your highest level. Judging will be assessed on a pro rata basis

• Young Horse Judges – will not be required to have judged one YH competition this time round

Open Rule Book Tests (ORBT)

This along with required forms will be available from approx. mid February 2022 (to be completed by 31/3/22). The ORBT can be completed online or a copy can be sent to you on request. All judges will be advised when the ORBT is available

If you keep this diary up to date as you do 'things' then this will make life much easier for you at re-accreditation time when all that will need to be sent in will be:

- the EA Re-accreditation Form which must be signed and indicate your intentions to either re-new, seek leave of absence (LOA) or resign
- your ORBT certificate/s if done online
- and this completed diary (no need to send in draws, results sheets or attendance certificates)

Seminar and workshop attendances are recorded nationally by Secretary EADOC. It is important that you make sure that you have signed in and you are actually recorded on the attendance list. If you claim a seminar or workshop that is not recorded then you will be asked to produce the attendance certificate so it is important that you keep your attendance certificates.
