Volunteers Award

Events such as the 2019 ESA State Autumn Dressage Championships rely on many volunteer hours to make them happen. This year we thought we would like to give something extra to those volunteers who have given up their **entire weekend** to help make this a successful event. To this end, during the presentations a name will be randomly drawn from those amazing volunteers. The winner will receive a massage voucher from **Northern Hills Massage**.

Welcome everyone to the 2019 Combined State Championship and Autumn Dressage Festival. I look forward to a weekend full of dressage at its finest. Events like these take a lot of preparation, time and effort. On behalf of the riders of the event I would like to thank all those people (committee, sub-committee & volunteers) working behind the scenes to make it possible to pull this event together in such a small time frame. A big thank you must go to all those Mt Crawford members who volunteer their time at this event and throughout the year. Your help is invaluable and I thank you on behalf of those participating in the competition.

A special thanks must go to our sponsors (listed within this program). For without your generous support events such as these would not be possible. Thank you on behalf of the competitors and the Mt Crawford Dressage Club.

The club has been fortunate to receive some grant funding to further improve our grounds. This year we have the undercover yards and stables for competitors to use. We have a group of riders camping over for the event who I'm sure will put the yards to good use and I'm certain the vet and swabbing steward will appreciate being out of the elements. This grant was made possible by the SA State Government.

This year we are fortunate that four Judges from interstate have taken up our invitation to come and judge at the Event. It is the philosophy of our club that all levels of competitive dressage have the opportunity to be judged by interstate Judges. Thank you to Virginia Creed (VIC), Felicity Yuncken (VIC), Sue Bright (QLD) and Fiona Normand (VIC) for agreeing to judge and they will be joined by a wonderful line up of SA Judges. **Riders, please don't miss the opportunity to chat to your Judges (after they have finished for the day!)** if you have queries about your test and/or a thank you to them for their efforts would be most appreciated, also. *Open lines of communication between Judges and Riders can only be of benefit to future performances and the Sport of Dressage as a whole.*

I also would particularly like to thank the Murray Dawson Trustees. Your support of the grounds development has allowed the Mt Crawford Dressage Club to grow into the wonderful organization it is today.

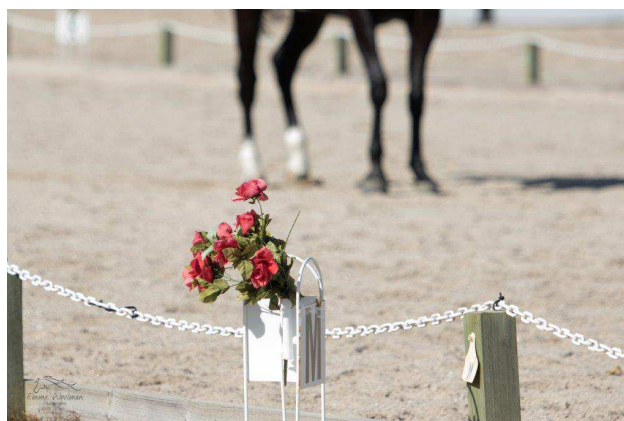

A final note regarding our grounds, the MCDC Committee is committed to improving our riding surfaces. To this end we have added rubber into Arena 2, giving us a third arena with rubber. Phil, thank you for preparing the grounds to such a high standard for this event and for taking on the role of the MCDC grounds man now that Bill has retired. On behalf of the club and all the riders over the years we thank bill for his service.

It takes discipline and dedication to shape a competitive dressage horse. It is my hope that the tests performed this weekend will display this discipline and dedication. I wish all the competitors, owners and breeders the best of luck over the weekend.

The final thank you is a personal one, to my family for helping and supporting me through to this event, love you all.

Preliminary 2018 winner Judy Clutterbuck riding HV Dante
HV Dante (Dan) was bred by Laura Summerhayes in NSW and is a registered Hanoverian by Depardieu and out of Laura's beautiful grey Londonderry mare. He is 8 years old and I've owned him since late 2017 when I bought him from Darwin where he had done very little due to the heat and was sent to Lizzie Wilson-Fellows to sell.

Dan had never competed and hadn't even been to training days or anything much at all when I got him. I think it speaks to his temperament that he has been so easy for me to start competing and despite my initial nerves he has been a thorough gentleman to take anywhere, I really think he loves a day out and a bit of socialising!

For our first season together the Prydes AOR competitions gave us a really good goal and program to work towards, I want to thank Prydes for sponsoring this fantastic initiative for AOR riders and all the SA Clubs for running the events, it's been a really good/fun experience.

Well done to the former Dressage Committee and the current Dressage Working Group for all your hard work and support for this event and others, very much appreciated by all.

Events for the 2019 Pryde's EasiFeed AOR Series include

Cecile Buckton riding Royal Valuta

Photo credit: Elizabeth & Courtney Griffiths

I weighed 43kg and I probably felt like a fly. But his temperament allowed me to do all of it myself with the help of friends and coaches.

The AOR Pryde's high point series over the last two years have given me a goal and I am incredibly grateful for that. Some days, I found it hard to continue riding this massive giant who just wouldn't stop growing despite me pleading him. He is strong and not always keen to give me what I need from him, I'm sure this is mostly my fault for not being strong and clear but the series made me get up and keep trying anyway.

I want to thank all the clubs who have hosted the series, we could not have asked for kinder people to look after us. Thank you also to all to volunteers on our dressage committees who make all this happen and to all the friends I have made in our dressage communities who are there for me every day. I have had the support of a few coaches over the years and they have all given me so much help in different ways that I could not have done without, thank you all so much. Most of all, thank you to Pryde's for sponsoring such great series. And of course, thanks Peanuts, you are my heart horse. you look after me every time I ride you, you try your best and you improve slowly all the time. I have retired now from competition and can only ride once or twice a week but I can just get on, never worried now that you will do something stupid and you still allow me to escape everything else while I am riding you, even if it's only for a few precious minutes.

Thank you to Judy and Cecile for sharing your stories about your wonderful equine partners and the journey you are on.

Royal Valuta AKA Peanuts was bred in Echunga by a dear friend of mine Jenny Edwards. I saw him when he was about 6 months old and instantly fell in love with him. His sire is the gorgeous Royal Hit and he is out of a Valuta mare. Jenny weaned him and bought him to my house when he was 9 months old. He was my dream horse, I enjoyed every moment I could get to know him as he was growing up. He watched me from the gate as I rode the children's ponies waiting for his turn.

In January 2014, Peanuts was 2, I was diagnosed with terminal bowel cancer and all my dreams of ever riding him vanished. I had surgery within days and started chemotherapy soon after. In May 2014 I had a liver resection to remove cancer from my liver but I knew after that that I would still try to break him in and go as far as I could until I needed help. I had nothing to lose. In August 2014, Peanuts officially turned 3 and I slowly started to break him in. He made everything so easy, I don't think he even felt me up there much,

Arena familiarisation - will be available between 7.30 and 8.30 for work around the arenas but not in the arenas. Work will be done at the walk only, with bridle and bridle number worn.

In focus on a Perpetual Trophy

Wyebo Skylark Memorial Trophy.

Known as Sky at home, Weybo Skylark was born in 1981 and was a grey 12.2hh Welsh Mountain Pony, with a heart of gold. He was purchased by Wendy and Elizabeth Hunt (now Haggett) in 1990, when Elizabeth was 7 years old.

Together, Elizabeth and Sky won at Royal Show level, would often swap the show ring hat and reins for the novelty hat and reins at the local shows to go and compete against the likes of Jive Bunny in the 'bending race' or 'flag n barrel', they also enjoyed a bit of jumping, moving sheep and cattle across paddocks and creeks at the family farm in Yankalilla, along with being an extremely successful combination in the dressage arena as a junior.

Elizabeth and Sky won many championships at Preliminary, Novice and Elementary level and the lessons and feeling that Sky taught Elizabeth, set the basics for Elizabeth's dressage career to follow, having numerous other combinations trained at home and come through the levels, all the way up to Intermediate I.

When Sky passed away in 2005, Elizabeth and Wendy felt it was only fitting to donate a memorial trophy to the YR Novice Champion at the State Dressage Championships, in honour of this very special little pony. Thankyou Sky for what you taught me and the love you gave.

Elizabeth

A VERY WARM WELCOME TO OUR JUDGES PANEL

The Mt Crawford Dressage Club Committee are thrilled to introduce our highly qualified and experienced panel of Judges for the 2019 ESA State Autumn Dressage Championships.

A few will have travelled long distances from all over Australia to join us for this weekend and we are delighted that they are supporting this premier event. We also appreciate the expertise that our local Judges are bringing to the competition and thank you all most sincerely for your contribution.

Judging is obviously an essential part of the Sport of Dressage and we all must not underestimate the level of skill and training required for this most demanding and challenging activity. Judges literally make hundreds of micro-decisions during a test and this is literally a 'juggling act' in the most lateral sense. Weighing up the good and not so good aspects of every movement and deciding on a score that correctly reflects the standard of performance is an incredibly exacting and responsible exercise.

It is with those thoughts that we most warmly welcome you all to what we believe is a beautiful part of the world, thank you most sincerely for your services & hope that you all have a most enjoyable weekend.

Felicity Yuncken (VIC) - Is an A Level Dressage Judge for the last 17yrs, EA Judge Educator for 15yrs, EA NCAS Level 1 General Coach and EA NCOS Dressage Judge A (up to and including Grand Prix). She has been coaching for 40 years and Judging for 35 years and spent 10yrs on the VIC Judge Education Panel. She conduct Judges Seminars in Victoria and Interstate, always enjoy meeting new riders and judging different horses when interstate.

Felicity has a lifetime of riding, training, breeding and competing experience. "After hunting, eventing and show jumping, I embraced dressage with all of the discipline's complexities and requirement for dedication. I have trained and competed three of my own homebred horses to EA Advanced and another one to FEI level. I have also trained many clients' horses including two Andalusian Stallions one of which went on to win Australian Champion Stallion. " She has recently finished building an indoor arena and can now enjoy breaking in her two, four and a half year old horses out of the weather. "I am thrilled to be able to train my young horses again. I hope you all have a great weekend at Mt Crawford and enjoy the SA State Championships this year." Felicity.

Sue Bright (QLD)—is an A level judge, judge educator & mentor. She is the Chair of Selectors for Para Equestrian for EA and is on the Dressage Qld Committee as their Para Convenor.

Rai Walla—is a D level judge, judge mentor and a long serving committee member of the Southern Vales Dressage Club.

A VERY WARM WELCOME TO OUR JUDGES PANEL

Virginia Creed — B Mus (performance), Grad Dip Ed, Grad Dip PR, MACE.

Virginia is a member of the EA Dressage Committee and past member of the EA Dressage Judges' Committee. She is an active Judge Educator as well as a Level 3 Dressage Specialist Coach and Coach Educator.

As a rider, Virginia trained and competed on several horses at Grand Prix, and she competed regularly at FEI level in State and National Championships until retiring from competition in 1993. She has judged extensively throughout Australia as well as overseas. Virginia also enjoys coaching riders, from beginners through to Grand Prix, and has several successful students currently competing at all levels.

Virginia is a highly qualified and experienced music teacher, and is currently the Head of Performing Arts at the Plenty Campus of Ivanhoe Grammar School. She enjoys giving Freestyle Seminars for judges as well as riders, combining her two passions – music and horses!

As Equestrian Coordinator Ivanhoe Grammar School, Virginia introduced the VCE/VET Equine Studies course into the School Curriculum. She helped to implement a strong network of Interschool Equestrian competitions in Victoria which continue to provide outstanding opportunities for our young riders.

Liz Duncan— was first introduced to horses in her early teens and it was the start of a life-long passion for horses and an appreciation of the equestrian sport of dressage. She enjoys the work of caring for her horses, riding and training. In the 1980s she started to train to become a dressage judge, initially to learn more for herself about dressage competition and what makes a good test.

This has been a continuing path to more knowledge right up to becoming an A level judge. She is also qualified to be a Young Horse and Para-Dressage judge as well as Mentor/Judge Educator. Liz was a member of the SA Dressage Committee (2008-2015) and the DSA Judges Subcommittee (2004-2015), she has recently re-joined the latter group. In her professional life she is a Medical Scientist working in the field of Pathology. Liz lives in the beautiful Adelaide Hills with her husband Bruce Duncan, their current #1 Jack Russell Terrier Lucy and two retired horses.

Barrie Stratton—has been judging for more than 40 years, and been an 'A' Level Judge for 30 years, becoming a JE in 2005. "I enjoy judging and helping riders understand the qualities that their horses need to attain to be successful in competition."

Schooling horses at all levels using a system of education, as opposed to force.

EQUINE SUPPLEMENT

I have a passion for schooling my own horses and those of my students using a system of structured flexibility, with a special focus on adapting to each individual horse's needs. I enjoy the partnership I develop with horses and the trust and respect we subsequently share. This results in a calm, confident and connected behaviour from my equine friends. I helped my first GP student, Annette Mitchell on her ASH Tyrone, to compete in the Australian Championships at that level in 1990. Since then, I have enjoyed working with a number of other riders who have subsequently ridden successfully in GP classes at National Titles and placed in a CDI, against the country's best.

A VERY WARM WELCOME TO OUR JUDGES PANEL

Jen Gilligan— Is a Preschool Teacher, a NCAS Dressage Coach Level 1 and a B Level Dressage judge. She has trained and competed horses to Grand Prix level & was a member of the State Dressage Squad for many years. She represented SA many times on state teams including Australian Championships and has placed at Australian Championships. Her riding career includes Champions at all levels up to Advanced, at S.A. State, Spring & Regional Championships.

Kaye Platt—Started riding in Pony classes at shows at age 8, then Hunting & Show Jumping as a Junior. Kaye is a foundation member of the Kangarilla Pony Club, Strathalbyn Hunt Club and Strathalbyn Show Jumping Club. Kaye, over many years has competed successfully in Show Jumping, (to A Grade), ODE's and Dressage.

She has also been involved with Racing, Polocross & Vaulting (as a judge) and is a C level judge, a Judge Mentor and an EA Steward for all three Olympic disciplines.

Rosemary Castle — Is an EA D level judge. She is currently negotiating her way through the rigours of upgrading to C and finds the educational aspect gained through these processors extremely beneficial.

Rosemary has been part of the SA dressage community for many years riding and judging.

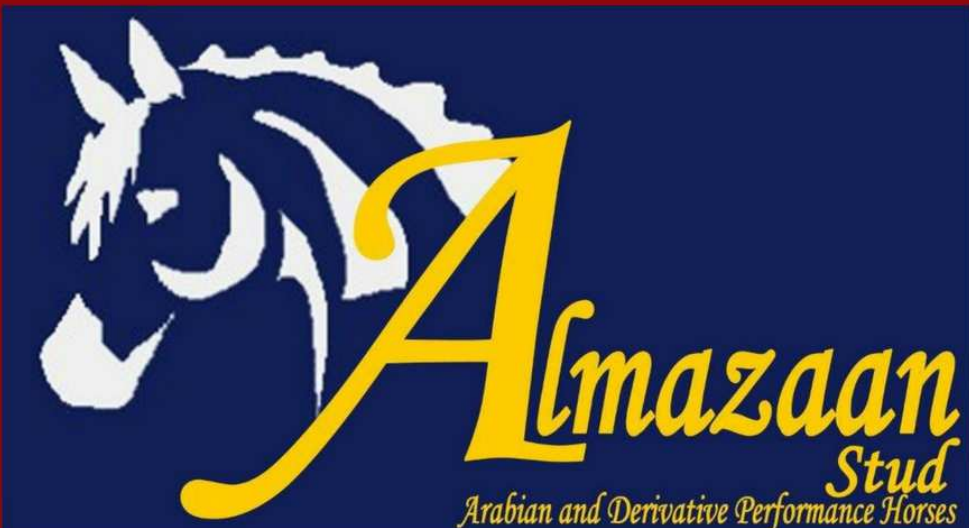

Carly Boon—is an F level judge based in Adelaide. She is working towards upgrading and looks forward to judging at higher levels in future. Carly combines her judging & riding time with working professionally for two fast-growth businesses.

Fiona Normand—is an EA C level Judge. She has been riding since 10 years of age but only got seriously into dressage at age 37 when she bought a \$400 anglo arab from the sale yards so that she could ride with her two daughters.

"That beautiful horse and I competed up to Elementary level before I loaned him to the RDA whilst I developed my next horse. As is often the case the journey with riding is seldom an easy or clear path, accidents and injuries to rider and horses finally culminated in the loss of my two competition horses, so now I am back at the beginning with my two young horses."

In the interim she decided to take her other passion which is education, from her professional life into dressage judging. This enabled Fiona to be in the privileged position to provide riders with constructive feedback on their training as demonstrated in their dressage tests, whilst also providing her the opportunity to reflect on her own riding and training.

Prue Copping—Has many difference EA official hats. She is a C level dressage Judge, a level 2 EA Carriage Driving Judge, a level one Eventing Course Designer and a level 2 eventing Technical Delegate.

Dressage Stewards

The role of Dressage Stewards at events “**Help, Prevent, Intervene**”. Protecting the public image of our Sport has become most important over the last few years and as organisers and competitors we need to ensure that all involved in the sport are safe and respect the welfare of the horse at all times. Stewards are responsible for ensuring the welfare of horses is upheld, that the rules for the event are adhered to and that events are conducted safely. In this role they are expected to supervise training and warm-up areas, stables and other areas where horses are held, ridden or treated as well as the field of play for competitions. Stewards are not the Police! - They are there to help and assist competitors reach their goals. Prevention is always the better option! - Stewards are there to prevent any situation that may develop which could be detrimental to competitors or the sport as a whole.

Triple Crown Challenge

The 'Triple Crown Challenge' is an MCDC initiative, offering an aggregate award calculated over three major competitions run by the Club over the course of the year.

It is open to Competitive Horse/Rider combinations. There will be SIX WINNERS, one from each Dressage level. The WINNER for each level, will have the highest aggregate score of all of the divisions within the particular level.

The Autumn Dressage Festival is the 2nd leg of the Challenge. In this leg combinations can gain bonus points if they receive over 60% in their 'B' test (e.g 2.B) for EA tests. For FEI competitors bonus points are up for grabs in PSG, Inter A or Inter 2 with scores over 60%.
