Dressage Judge Activities Update

By Verity Hayman

August 2022

Judges' Education Opportunities

The Judge Seminar program has been completed for 2022 and plans for 2023 are underway. Our new and upgrading Judges are continuing to look for opportunities to Sit in and Shadow Judge, so there is still plenty happening in the way of education. Contact one of the Clubs or the Dressage Judge email if you need more support with organising this: dressagejudge@equestriansa.com.au.

D / E Seminar

Thank you to Jane Ventura for conducting the D / E Seminar at Cromwell Park in June and to the riders who participated in the demonstration tests. The feedback from everyone was very positive.

G / F Seminar

Thank you to the Mid South East Dressage Club for supporting Judge education and hosting a G / F Seminar in July. The Seminar was an update for existing Judges and provided the opportunity for new Judges to take the first step on their journey to judging. Thank you to Sue Chandler for presenting.

New Judges

Congratulations to Phoebe Foulkes and Cheryl Hatswell on becoming E-level Judges.

G-level Zoom Call

Navigating the requirements to become a G-Level Judge and the record keeping to maintain accreditation can be daunting. To help answer any questions about how to become a Judge or the requirements for accreditation, we will be holding another Zoom session. Judges or anyone interested in become a Judge are welcome to attend.

Register your interest by emailing:
dressagejudge@equestriansa.com.au.

July 2022 Dressage Rules Update

From The Committee

We wish to remind riders that when you compete you must be a current member of ESA and your horse must have a current licence.

The weather for the Future Squads Test and Talks With Jane Ventura was horrendous and called for a change of format for the day, as warming up outside the indoor wasn't possible! Thank you to all the riders who coped seamlessly with the last minute change to the indoor warmup. The feedback from the riders was very positive and everyone felt it was worth braving the weather.

Training - We have booked Jill Sinclair, one of the Judges from this year's State Championships, for the Horse of the Year Gold Protocol Plus days in September.

Squads - We have just finished the application and selection process for the 2022 / 23 High Performance Squad. Congratulations to the successful combinations (listed in this edition). Well done.

We will now open the Future Squads for a mid-year review as there are a few spare places on the Squad.

HOTY - The current Leaderboard standings are displayed in this edition of Moving Forward and there are some very close Leaderboards at the moment. The next EA competition is Southern Vales in September and FEI / EA at the Country Classic.

We have reviewed the HOTY document for 2023 and will be releasing the new criteria in the coming months.

The SA Dressage Clubs met recently to set the 2023 Calendar which will be up on the website in the coming months.

Young Horse and Pony riders and owners - the date for next year's State Classic has been set and will be held at Cromwell Park on 7 January 2023.

Save the Dates

7 January 2023: State Young horse and Pony Classic
15 and 16 April: 2023 SA State Championships

See you around the arena,

DSA Committee

Thank you to Liz Duncan for answering our interview questions. Her answers have provided an interesting and honest account that we hope you all enjoy reading as much as we have.

1. How did you become involved with horses?

I started riding as a teenager, first with a girlfriend who had her own horse and then going on to have some lessons to learn more. I had no idea what was involved with horses: my family had no connection with horses and we lived in suburban Adelaide, but I knew I loved being around them.

My father was a new immigrant to Australia, having arrived from Poland in the early fifties, and it was through him that I met Marian Malecki (also a Polish immigrant) and had lessons with him for many years. What started as a weekly 40 minute session while still at school grew to be my main interest. I loved any opportunity and used all my spare time to ride all sorts of horses to learn about their training, to be a stable hand, to teach kids and eventually be able to buy my own "first horse".

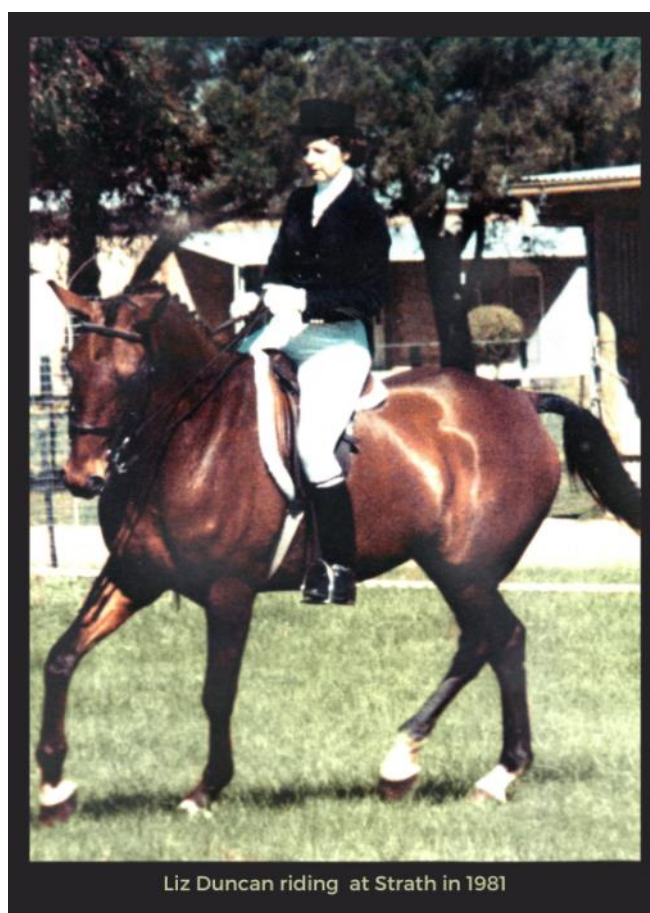

Since that time I have had several lovely horses, each one different and interesting with unique talents and personalities to learn about. Over the years I have been fortunate to meet and learn from a number of other Dressage coaches who helped me to learn new skills in my riding and training approach and gave me support. They included Richard Weiss, Denise Rofe, Edgar Lichtwark and Glenys Shandley.

I have been fortunate to be married to a very supportive husband who has helped me and we have lived on a small property in the Adelaide Hills. All the while I have continued to work and study as a Medical Scientist in pathology, although after a career of 40 years it's time to think about retirement!

2. Did you compete in dressage?

Yes, I competed in dressage competitions starting in the late 70's. My first taste of a Dressage competition was riding a very pretty, small chestnut horse and the main thing I remember was how nerve-racking it was to ride before the Judges! I then rode a number of horses that were owned by Mr Malecki as he was keen to see his horses and students out in competition.

The first horse that I was able to buy was the kindest horse ever and he also had a talent for flying changes, which was handy! We trained and competed from Preliminary to Prix St Georges. I competed with some other lovely horses but over the years I became more focussed on the enjoyment of achieving progress with training and less keen on competing.

3. What made you interested in judging Dressage?

The main reason I took an interest in judging was as a way to learn more about the Judges' point of view for a Dressage test. Also, it was partly a way to see whether it would help me to be less anxious about riding in competitions and it did help somewhat.

I started out as a penciller (writer) and then progressed to become a Novice Judge in about 1985 and this was a time when EA was starting a system for training Judges. The sport was growing and there was a real need for more Judges. I found judging extremely interesting and an opportunity to learn a lot from watching and assessing what other riders and their horses did well and also not so well.

4. What do you enjoy most about judging?

The main thing I enjoy about judging is when I am assessing a well-trained horse with an effective rider and can give good marks for work well done. I appreciate the horses with athletic ability and also those with perhaps not as much natural talent but showing good education to produce the best they can do. As a Judge I can only comment on what I see and not give the rider a "lesson" with my comments, but I try to give enough feedback to justify my marks and help riders see the areas they need to focus on to improve. I believe that it is an important role of the Judges to give an independent assessment of a horse in its test, reward good training and also help to motivate riders to improve. Judges have an important role in horse welfare as a horse that is trained correctly along the lines of the "Training Scale" will be relaxed and show healthy development.

In 2008 I started the work to upgrade from B to A Level. I thoroughly enjoyed the experience and passed my exams in 2010. It gave me a good excuse to go to many Interstate competitions to Shadow Judge and Sit-in and I got to meet many helpful mentors and other upgrading Judges. I also enjoy the camaraderie between Judges and Organising Committees.

5. What do you see as the future of Dressage judging in SA?

In SA, the future of judging is a little precarious because of the relatively low numbers of Judges. We have a good bunch of 33 current Judges and some new Judges beginning their training, but we need more to cover the number of competitions held each month and to plan for the future. We have a small group of only eight A and B Level Judges who are very experienced, but nevertheless they are all in the "senior" group

and over the next 5 - 10 years a few may want to retire. A / B Judges are essential for any of the FEI level of competitions and more SA riders are taking their horses to this level, plus they do a lot of mentoring and Judge education. With the training required it takes at least 7 - 10 years for a Judge to start from G and reach A Level, or a few years less if they can fast-track. In SA we have competitions nearly every weekend of the year and need Judges at all levels from G to A to officiate. So, we need more knowledgeable riders to put their hands up, think about becoming a Dressage Judge and to look to increasing numbers for the future.

Another aspect of the future is to encourage Judges and volunteers to join the Judges' Subcommittee as the group who works to help with Judges' education. This involves organising Seminars and workshops, keeping track of new and upgrading Judges and their progress, organising exams for Judges, communication of new rules, and other administrative tasks. We currently have a small and busy Committee but the workload is increasing and some fresh ideas from new volunteers would be a great help for everyone.

Vale - Jane Bush, OAM

1932 - 2022

We have lost another legend of our sport with the passing of Jane Bush – talented rider, inspiring coach and genuinely nice person.

Born and bred in SA, Mora Jane Bush was a crowd pleaser at Adelaide Royal, especially on her best showjumper the beautiful grey Fair Play ('Happy'). She also travelled widely.

When she became too 'old' for showjumping she transitioned so easily to dressage where she had great success also. Always willing to share her knowledge, she was a talented competitor, a great coach and judge, she was always there to help anyone that needed a hand.

She impressed and helped many.

'A lifetime of involvement with horses in many different horse sports spanning many years. Generous with her time and knowledge. Very competitive but a true horse lover. No win was worth risking injury to her horse.'

'Legend of a lady and would do anything for anyone. Was an amazing course builder as well.'

'Tough but boy did it teach you something.'

'A wonderful lady, and such a beautiful person in all respects. So willing to talk and help anyone at anytime about any horsey problem that advice was wanted, and I learnt so much from Jane since I first knew her.'

'Beautiful to watch at anytime in the ring, especially her wonderful partnership with Happy. (Fair Play) , and her input over many years with the administration and rider training sides of Equestrian Sport in SA has no equal. . . . a true legend worthy of the highest degree of recognition and appreciation.'

Congratulations to the successful 2022 / 23 High Performance applicants

Purpose

The purpose of the Dressage South Australia (DSA) High Performance Squad is to identify horse / rider combinations who show the best and most consistent performances at high level competitions in South Australia. Ideally, these combinations will represent South Australia at Interstate and National events and will be role models for other riders.

High Performance Squad

Is a merit based Squad open to 16 horse / rider combinations: Senior Advanced - Grand Prix, Youth Elementary - Medium and FEI Para CPEDN - CPEDI.

The Squad will have express entry into the High Performance On and Off-Horse training programs. It is expected that these riders will represent SA at Interstate and National Championship events where possible.

Should there be more applications than places, an average of the three submitted percentages will be used to determine the successful combinations by the Selectors.

If there are not the required applicants who meet the qualifying scores, then the spaces will remain vacant.

Squads are open to all competitive combinations including AOR, PARA and Pony combinations.

Qualifying Criteria and Scores

- An average of the three scores will be used to determine which combinations get priority.
- The required scores are:
 - * A minimum of one score must be from an **SA HOTY competition**
 - * The second can either be from an SA HOTY competition or from the same qualifying classes at a CDI competition
 - * The third can be from any SA Competitive competition
 - * Para Equestrians – scores for the High Performance Squad must include one score from an FEI test at CPEDN or CPEDI level.
- Three scores are to be submitted. Each score needs to have been from tests with no less than two Judges. Percentages from **1/7/21 until 20/6/2022** will be required.

The following criteria must be completed in the next 12 months for the 2022 / 23 application period:

- * Must volunteer at a minimum of ONE South Australian Dressage Club event (Competitive or CUR / Participation) event in South Australia or be an active member of a South Australian Club Dressage Committee or State Dressage Committee
- * Minimum attendance at ONE South Australian Judge's Seminar theory day as an observer each year.

High Performance Squad from Advanced – Grand Prix Combinations

Should there be excess combinations apply there will be one Medium and one Big Tour place.

Minimum % to qualify for each submitted test:

- Advanced & Youth Advanced: 64%
- Small Tour & Young Rider Small Tour: 61%
- Medium, Big Tour and Young Rider Medium / Big Tour: 60%

Youth High Performance Squad from Elementary – Medium Combinations

Minimum % to qualify for each submitted test:

- Elementary 65%
- Medium 63%

Para High Performance Squad from CPEDN to CPEDI

Minimum % to qualify for each submitted test:

- Team/ Individual CPEDN 64%
- Team/ Individual CPEDI 63%

SFDC is run from Murray
Town Oval.

Murray Town is located in
the Southern Flinders
Ranges, 12km south of
Melrose.

On the 18th and 19th of June,
Southern Flinders Dressage Club
held a two day competition with
Club members competing on the
Saturday and EA Horse Of The
Year riders competing on Sunday.

Our Saturday riders were blessed
with amazing weather, but
unfortunately for our Sunday
competitors - many of whom had
travelled a long distance - they
were subjected to Murray Town's
finest winter weather, including
an Antarctic wind!

June was also our first round of
our three month long Dressage
Winter Series, with scores
accumulating for end of Series
prizes.

We run competitions once a month, offering dressage tests for all standards. Our members range from those just starting out in dressage to Grand Prix and professional riders. We also run Championship events, Critique days and Clinics.

We welcome all new members - no matter what level or experience.

Even if you don't ride or own a horse, you can still be involved in dressage because helpers are always needed at events to assist with the many tasks involved in running a competition. It's a good way to start getting involved.

August - September News 2022

Saturday the 18th of June saw CVDC host one Round of Horse of the Year. The weather was fabulous, the surface was perfect and it was terrific to have riders travelling from far and wide to enjoy the competition. Our Judges: Liz Duncan, Kirsty Stuart, Tamsin Adcock and Kristine Hancock were kept busy with 48 tests to critique. It was wonderful to watch our own Para Riders, Naomi and Lauren, participating in the day. A very big thank you to all our members and volunteers who helped out on the day. Your support is greatly appreciated and what makes our Club so special.

We were very grateful to have the support of Eldredge Wines who donated wine for our Judges and competitors to enjoy. Thank you to Elders Burra for lending us their brand new marquee and to Clare Rise Bakery for supplying us with their delicious pastries. Finally a big thank you to Alix Bell, our official photographer, for capturing the magic of the day.

Kirsty Stuart returned to Clare on the 10th of July to judge at our CUR Day. We were again blessed with sunshine, despite the extremely cold temperature! It was great to see some new combinations venturing into the arena with some lovely tests being achieved. I would like to take this opportunity to sincerely thank Kirsty for supporting our Club over the last five years. We have greatly appreciated her time, knowledge and encouragement of each horse and rider. We wish Kirsty all the very best as she starts a new chapter in sunny Queensland.

On August the 8th we will be holding our AGM during the lunchbreak of our competition. A big thank you to our Committee who have given their time and knowledge to help shape CVDC into being a friendly and encouraging Club that supports riders to achieve their goals. We will be looking for some new faces to join our Committee for the 2022 / 23 season, so if you would like to come onto the Committee, please head over to our FB page and fill in a nomination form. We invite you all to join us for a sausage sizzle lunch as we hear our President's report and elect some new Committee members.

Kind Regards

President's Report

Hi all

The cold wintry weather has certainly arrived but fortunately we were lucky to have a great day in July.

The Horseland Mt Barker and AHDC Spring Dressage Festival is not far away and the Schedule is on our website and Nominate. This year the Para State Championships will be included on that weekend.

We are happy to announce that two Interstate Judges (Sue Cunningham and Jane Ventura) have accepted our invitation to judge at the Spring Festival.

Horseland Mt Barker will be our Elite Sponsor again this year but if anyone else could also offer sponsorship we would be very grateful.

Many thanks to Julie Kershaw for taking on the task of being our competition Penciller Co-ordinator. We will certainly appreciate her help.

Finally, another reminder to have your helmets tagged from 1 July this year.

Keep safe.

From The Committee

We couldn't have asked for a better day for our CUR competition in June. There were a number of scratchings, but those who did ride did so in perfect conditions, with clear blue skies and no wind. The day incorporated several Off The Track classes, sponsored by Thoroughcare SA, with prize money up for grabs. It is great to see these horses enjoying alternative careers after racing or trialling and it is a wonderful incentive by Thoroughcare SA to offer the OTT classes. All the horses seemed to enjoy some winter sun on their backs and performed well.

In stark contrast the July day, with CUR and FEI classes, was grey and overcast with rain forecast and a biting wind that felt as though it was blowing straight from Antarctica. It would seem the horses were feeling the effects of the cold snap as several of them were seen kicking up their heels in both the warm up and the arenas. Despite this the FEI riders appreciated the opportunity to gain qualifications or have practice rides prior to the National Championships and for the most part the rain held off for the duration of the competition.

We now take a short break for the remainder of Winter and will return in Spring with our Charity Day on September 17th. This year we are supporting the new Windamere Horse Haven at Mount Torrens. We are hoping to see a lot of horses and riders decked out in silver, as this is the Charity's colour. There will be a colour parade on the day with prizes for best the Junior and Senior. Local business Hobby Horse will have a stall selling horse and rider wear and they will donate a percentage of the day's takings to the Charity.

October 29th is the "Come and Try" day, a CUR day with lots on offer including Pairs classes, Prix Caprilli, the final event for the 2022 Off the Track Dressage Series for Thoroughbreds and SPPHASA Standardbreds Dressage State Championships. We will also be holding our AGM at this event and electing a new Committee, so if you feel you have something to offer the Club please consider joining us.

Happy Riding

TRAINING DAYS

Unfortunately the June Training Day with Lucy Williams and Phoebe Foulkes had to be cancelled as the grounds were saturated and there were also weather warnings predicted for the day. It was very disappointing to have to cancel this fully-booked Training Day, however the risk of vehicles / floats getting bogged along with the horrible winds / rain predicted on the day made it impossible to proceed.

Thankfully our July training day was a great success, even though there were concerns about the weather. We had two fantastic instructors - Anne Smith and Naomi Mashford. Everyone worked super hard, had a great time and enjoyed their lessons,

going home with lots of homework. Thank you to the hardworking grounds team as the arenas and parking were great. Thanks also to everyone for participating in the cold wind.

We don't have a Training Day scheduled for August as usually the grounds are too wet, however we do have Greg Trembath booked for the 10th of September and Lucy Williams booked for the 1st of October.

It has come to our attention that there are several large holes in the float parking area, which makes it not only rough for driving but also dangerous as somebody, be it horse or human, could trip and potentially fall. Work has been carried out to rectify this but

we do ask that if your horse digs at the float to please fill in the hole before you leave. At all our competitions there is a shovel provided to fill in holes, just pop down to the office to borrow it.

We also take this opportunity to remind you all that the MCDC grounds are strictly NO SMOKING.

We always have arena familiarisation available before the competitions start where horses can be led in-hand around the arenas.

We thank you for your co-operation.

Dressage Club of SA May Show Report

Greetings equestrians!

We were certainly blessed with perfect weather for our **Horseland Adelaide** May Show, given the forecast and the unleashing of torrential rain the next day! We welcomed **Para Equestrian** and **Interscholar** riders, as well as kicking off the **Australian Stock Horse Leaderboard** at the Show.

Well done to all the participants and thank you to the sponsors of these events! - **Coopers Mylor**, **Everyday Equestrian** and **Kiah Glenn Performance Horses**. We encourage everyone to thank them via email or social media and support these businesses who donate to our events!

As we run only two arenas at our Shows, we do need to close entries early and at this Show the short daylight hours also limited the overall test numbers, meaning that we had around 40 tests on the wait list. Our amazing Draw Manager, Elise, does a really incredible job fitting in this task as well as working full time in the city. Please understand that we may not be able to fit you in at the last minute and remember that Unofficial tests are for DCSA members only, which also helps with test number limitations. It is also an additional advantage for our members. Please also be aware that only competing horses may be ridden in any arena at our Shows.

EA sent along an Official and a Veterinarian to **conduct random swabbing** at our May Show. This procedure will start to be carried out at on a regular basis at the Shows around SA. Keeping our sport clean and safe is good for everyone.

A huge thanks to **Craig Hannam** for tagging helmets for riders at the Show – don't forget all helmets must be checked and tagged by July 1st 2022.

Thank you to our fabulous Judges, the penciller team gathered together by our Committee member Tash, the gate stewards and gear checkers who stood out in the weather all day for the riders.

Thank you to Phoebe Foulkes and Lisa Ashby for judging our Unofficial tests – we appreciate you both taking the time out as riders to give back to the sport. Lisa: thank you so much also for managing all the communications to Judges for our Shows – a task that is perfectly done for us.

A huge shout out to all the riders, family and friends who put their hands up to gear check, pencil and generally give a hand on the day – it really isn't enough to just say thank you as the Shows wouldn't happen without you.

Everyone puts in behind the scenes and our Committee members and helpers are a phenomenal team.

We are currently working on a **Leaderboard** announcement. Our major sponsor **Horseland Adelaide** is awarding a rug for each section and other prizes are in the plans for this year! The presentations will be made at our first 2023 Show.

We will however be running it as per the points currently set up on our website and have a Gala final event included after next year's scoring period. We believe everyone should be fully conversant with the conditions and special class points allocated for the year from the get go, rather than add them in half way through. We have also applied for extra Show days next year, so this will make the event easier to set up, include the Final at our last Show for 2023.

Our last two Shows for 2022 are on **October 2nd** and **November 20th**, so don't delay entering when you see the notice come up on Nominate.

As always, we are here to help you have an enjoyable day and ride at your best, so don't hesitate to ask us for any advice and if you have a half day you can give to help us out, please let us know!

We are a friendly bunch and the beautiful **Cromwell Park** is a great place to spend the day watching horses dancing in the sand!

Stay safe and well!

As the Club enters its last month of the current Committee, the members wish to show a huge, big, grateful thank you to the 2021 / 2022 Committee who have brought the Club back into the active and forward thinking Club we are, after uncertain times.

All members thank them and applaud the year they have been able to enjoy. This could not happen without them giving their valuable time for our pleasure. For the competitions, education and camaraderie. For the organising, collating and wading through the piles of responsibilities for members to enjoy, our members say thank you!

A big thank you also to the members of the Committee and all who enthusiastically helped on event days with those jobs that are needed to be done on the day.

Thank you to all.

Winter Series 2022

The Winter Series held over the last four months drew to its conclusion on a perfect day in July. Some 252 tests were entered to find from the cumulative scores the winners over two affiliations and four levels. Every Round was held in perfect weather, with new and returning members giving it a cracking go to improve their execution of their demanding test levels.

Much fun and friendly competition added to a great atmosphere. Everyone pitched in and supported each other. The Committee are to be congratulated on the well organised events, culminating in the final Round 4 and incorporating HOTY qualifying classes plus a well attended Judges' Seminar. Thank you to ESA for approving and supporting Judge education down here in the South East region.

Thank you Priscilla Treloar for attending and presenting the "The Pumpkin Patch Award". The Award is presented to a Young Rider who is polite, willing to help and shows determination to learn all aspects of riding and horse care. Someone who will go the extra mile and try hard regardless of the difficulties they face and give it a go on their own.

SA Country Classic

At its June meeting the MSEDc Committee unanimously agreed that the competition will return to the Naracoorte Showgrounds, where the Wifi and PA systems are very reliable and easier to use.

This will also see the return of the Victorian judging team to SA, joining our forever skilled expert SA Judges. I know competitors who will be travelling from farther north of Adelaide will be thrilled to have new assessments of their training from fresh eyes.

Work on the 2022 Schedule is nearing completion for this year's competition.

Due to the thin Committee and their overworked time constraints, it was also decided that this will be a no-frills competition where sponsorship will be accepted, but not sought after. Along with sponsorship comes much work behind the scenes gathering, allocating and thanking, not to mention advertising. In the end the important parts of the competition will be the arenas full of competitors, beautiful horses, great Judges, good weather and a great atmosphere.

August Club Day

The Club's August activity day has been planned around the Annual General Meeting and will include a free BBQ Lunch, a free day of instruction over poles with Lucy Hill and an opportunity to have a critique with Amanda Lock. Arena time or just ride and chat. It will be a great opportunity to socialize and relax, with ponies in tow.

Lucy Williams Clinic

Once again riders of all ages and disciplines took advantage of this very popular and sought after Instructor. A specialist in riding biomechanics, Lucy has extensive knowledge from her own personal experience working throughout Britain and Australia. Her knowledge has been gained from many high profile identities in the world.

The event was held at the Naracoorte Pony Club Grounds, which is excellent for camping and accommodating horses; with the added convenience of Clubrooms. A chat around a fire box on a still winter's evening was delightful after a day of encouraging learning. Everyone who participated enjoyed and gained so much from Lucy's unique style of instruction. Thank you Lucy.

Judges' Seminar

Sue Chandler from Victoria presented a very informative, inclusive Judges' Seminar. The Seminar was held in the new Function Centre at the Naracoorte Showgrounds with all the whizz bang IT equipment one could expect to make it a great interactive morning session.

New prospective Judges, riders and interested hangers-on enjoyed Sue's concise presentation. People were still discussing points from the Seminar on the following day.

Thank you ESA for supporting this Seminar: it was worth every bit of your encouraging efforts.
