Dressage Judge Activities Update

By Liz Duncan

Judges' Education Opportunities

The following seminars are planned for 2021:

- F/G Regional Seminar – 22nd May with Felicity Yuncken – Mid South East, Naracoorte.
- D/E Seminar – Saturday 12th June with Wendy Hunt at Cromwell Park.

Riders and spectators are welcome to attend any of the Judge Education Seminars. They are a great opportunity to learn what Judges can see and how marks are awarded.

Congratulations

Congratulations to Helen Whittle on co-presenting the recent A/B seminar with Maria Schwennesen and also with Barrie Stratton at F/G. She has now successfully met all the requirements to be a Judge Educator. It's fantastic for South Australia to have another local Judge who is qualified to educate new and upgrading Judges.

April 2021 Seminars

Maria Schwennesen presented the A/B/C seminar at McLaren Park Equestrian Centre on the 24th April, followed by a Young Horse seminar on the 25th April. Thank you to the riders that volunteered to participate as demonstration test riders. Thanks also to all the Judges and spectators who attended and supported the weekend.

Whittlesea Dressage Committee Bursary

The Whittlesea Dressage Committee in Victoria has generously donated funds to help South Australian Dressage Judges travel to Victoria to gain experience shadow-judging Interstate to assist in the upgrading process. Congratulations to Cheryl Hatswell and Janene Clark who will both be shadow-judging at Werribee in Victoria in June.

South Australian Judges Subsidy Scheme

The ESA Dressage Judges Committee (ESA-DJC) recognises that to maintain accreditation, upgrade qualifications or gain further experience, Judges may need to travel Interstate. As this can be costly, the ESA-DJC has allocated funds from the SA Dressage Judges' Levies collected by Clubs, to support Judges travelling for further education.

The purpose of the subsidy scheme is to set out a framework for reimbursement for South Australian Judges travelling Interstate (and across regions) to upgrade, remain accredited or further their judging experience and will apply to any expenses incurred from 30th November 2019 to 30th June 2020 and during the financial year starting 1st July 2020. This will be continued for the financial year starting 1st July 2021.

The amounts noted in this document are intended as a guide only. Funding is subject to availability and will be reviewed as part of normal financial operations. The ESA-JSC will review all applications and approve those that meet the criteria and intention described below, and within the available budget.

For subsidies numbered 1-3, funding is limited to five Judges per year. A Judge may only apply for one subsidy per financial year. Judges must check with the Committee to see whether funds are available before travelling.

Please note:

Judges maintaining accreditation or upgrading are encouraged to seek Judging appointments Interstate and then 'piggyback' - attending a Seminar or undertaking shadow-judging or sit-ins. Organising Committees may pay for at least part of airfares and accommodation and this then stretches our budget further and allows for more Judges to benefit from the scheme.

1. Upgrading to A or B Level

Judges upgrading to A or B Level may receive a subsidy of \$1,000 (maximum per Judge per level) for travel expenses to complete shadow-judging, sit-ins and the Practical Exam. This amount will be paid on the successful completion of the qualification. A report must be submitted to the Chair, ESA-JSC together with receipts for expenses.

2. Upgrading to C or D Level

Judges upgrading to C or D Level may receive a subsidy of \$500 (maximum per Judge per level) for travel expenses to complete shadow-judging, sit-ins and the Practical Exam. This amount will be paid on the successful completion of the qualification. A report must be submitted to the Chair, ESA-JSC together with receipts for expenses.

3. Gaining further experience in Judging Interstate

To encourage Judges to travel Interstate to see different horses and gain further experience in Judging, a subsidy of \$200 (maximum per Judge per level) will be paid for these Judges to write for higher level Judges, shadow-judge or sit-in at an Interstate event. The event and activity must be appropriate to the applicant's current or upgrading level. A report must be submitted to the Chair, ESA-JSC together with receipts for expenses.

4. Regional Judges Support

The ESA-DJC understands that for Judges in regional areas, the cost to attend seminars, workshops and shadow-judging can be prohibitive. Judges travelling in excess of 120 km (each way) from home to a venue to shadow-judge at a competition or attend a Seminar for the purpose of maintaining accreditation or upgrading, may receive a subsidy of \$0.50 per kilometre up to a maximum of \$250. Shared driving is encouraged where practical. Potential Judges who are travelling to attend a G-level Seminar or a competition for the purpose of shadow-judging may apply for reimbursement when they are appointed as a G-level Judge, at the completion of all the requirements. Regional Judges may submit one application per year.

Any questions and applications - please contact Liz Duncan - e.duncan@bigpond.net.au with a copy to dressagejudge@equestriansa.com.au.

DRESSAGE SA 21/22

HIGH PERFORMANCE SQUAD DOCUMENT

Purpose

The purpose of the Dressage South Australia (DSA) High Performance Squad is to identify horse/rider combinations that show the best and most consistent performances at high level competitions in South Australia. Ideally, these combinations will represent South Australia at Interstate and National events and will be role models for other riders.

High Performance Squad

Is a merit based Squad open to 16 horse/rider combinations, Senior Advanced –Grand Prix and Youth Novice – Medium.

The Squad will have express entry into the high performance on and off-horse training programs. It is expected that these riders will represent SA at Interstate and National Championship events where possible.

Should there be more applications than places then an average of the 3 submitted % will be used to determine the successful combinations by the selectors.

If there are not the required applicants who meet the qualifying scores, then spaces will stay vacant.

Squads are open to all competitive combinations including AOR and Pony combinations.

Qualifying Criteria and Scores

- An average of the 3 scores will be used to determine which combinations get priority.
- A minimum of 2 out of the 3 scores **must be from SA HOTY competitions.**
- 3 scores to be submitted each score needs to have been from tests with no less than 2 Judges. Percentages from 1/7/20 till 30/6/2021 will be required.

PUTTING THE SPOTLIGHT ON AOR COMBINATIONS IN SOUTH AUSTRALIA!

Feature Combination

Susanne Nelson and BHM Black Silhouette (aka Zulu)

Susanne was born and raised in Linköping, Sweden before moving to Australia in her late twenties. She purchased her AOR partner, Zulu, as a youngster in 2010. Zulu is Warmblood x Andalusian by Galero XIV, bred by Black Horse Manor stud in NSW and is now 11 years old.

Sus has always had a love for horses, from riding her next door neighbor's Shetland at age 5, to finally getting her very first pony (a Fjord) named Peo that her parents bought her at age 11 after years of nagging - nagging can pay off!

After training all the dressage movements and finding this her forte, Sus eventually moved on to her Swedish WB to pursue her dreams of following in the footsteps of her idol the great Kyrkland and the magnificent 'Matador'.

Susanne's passions out of the saddle are being a Mum to her gorgeous little Felix and travelling. Pre-COVID she loved to jet-set around the globe with her family.

Zulu's strengths lie in her stoic nature and eagerness to please, however she has a bad habit of trying to chat up a nice looking boy when she should be concentrating on her dressage test ...

Susanne and Zulu's most recent career highlights include winning Reserve Champion Elementary AOR at the recent 2021 SA State Dressage Championships.

Onwards from here, under the watchful eye of their coach Linda O'Leary, Susanne and Zulu are looking to step up to Medium level in time for the upcoming Mid South East Country Dressage Champs and we wish them the very best of luck!

JUDGING YOUNG HORSE COMPETITIONS – Notes From Various Sources

Kindly prepared by Maria Schwennesen for the YH Seminar, McLaren Park, 25th April 2021

Young Horse Competition

Purpose of the Competition

The Young Horse classes are fundamental to the future of the Sport. The primary objective is to evaluate the potential and correct training, for their age, of young dressage horses – does it have a long term future as a dressage horse?

The Young Horse Tests

First and foremost it is about the horse - the rider is not given special emphasis. The Young Horse tests are not isolated competitions. The 5 and 6 year old tests are the building blocks to higher levels e.g. Prix St Georges. However in the 4 and 5 year old tests there is especially an emphasis on the basic paces.

The Three Most Important Aspects

- The quality of the paces.
- The correctness of training for age level.
- The general impression including the conformation, temperament and the natural talent and ability to perform at a higher level tests.

A young dressage horse has to be attentive by nature (fresh) but nevertheless relaxed mentally. It must be active and engaged but without tension. It must go willingly forward, without any pressure from the rider and should always be focussed on the rider's aids and accepting the contact.

The Judging Sheet

There are 5 marks to allocate:

1. Trot
2. Walk
3. Canter
4. Submissiveness
5. Perspective

Paces

Trot: Rhythm, suppleness, elasticity, swinging back, ground cover, willingness to collect (5yr), ability to collect (6yr).

Walk: Rhythm, relaxation, activity, ground cover.

Canter: Rhythm, suppleness, elasticity, natural balance, impulsion, willingness to collect (5yr) ability to collect (6Yr), ground cover, uphill tendency.

The difference between "Willingness to collect" (5yr old) and "Ability to collect" (6yr old)

Paces

Be uncompromising – as they are vitally important for the quality of the dressage horse. We want to see regularity and impulsion without tension. Impulsion should be developed from the hindquarters through a swinging back with active hind legs. The steps and strides must be elastic with the horse showing an uphill tendency and freedom of the shoulder.

Quality is assessed by the:

- overall impression,
- the regularity and elasticity of the steps,
- the ability to maintain the same rhythm and natural balance, even after a transition within the paces or from one pace to another.

Walk

Clear regular rhythm. Reach and ground cover. Supple and following the contact.

Trot

For 4yo, these horses are very young so expect variations in the training. A more horizontal frame is acceptable in 4 and 5yos. A 4yo should be loose, no collection yet as it is much too early. However:- natural balance, active hind legs through a swinging back to a steady contact. Trot should be regular, elastic. Should not be on the forehand.

Canter

Active – ground covering. Balanced. Stepping under the body. An uphill way of going. Watch both reins as they could be different.

Negatives in Paces

- No clear rhythm, unlevel steps.
- Uneven and unbalanced, especially in turns and corners – tipping forward.
- Not taking weight evenly behind.
- Steps and strides flat and not elevated.
- Back not swinging.
- High hocks.
- Hind legs not stepping under the centre of gravity.
- No freedom of shoulder.
- Exaggerated and forced movement because back is tense.

4yr old Tests

The phase of understanding - correct basic training

Preliminary- Novice level with emphasis on the basic paces. Needs to show the ability to lengthen steps in trot and canter – the beginning of adjustability.

4yr old Minor Mistakes

Should be judged with some leniency, if in principle, the horse is demonstrating good movement and is shown to be presented in accordance with its level of training.

Horses which at the beginning of the test show tension and some concentration lapses or may even be a bit spooky, should be judged more benevolently.

examples

- halt not straight;
- concentration lapses;
- moments of shortness in the neck; or
- being momentarily above the bit.

5 Yr Old Tests

The exercises for a 5 year old are generally of a low level and full collection is not required, rather willingness to collect equivalent roughly to Elementary level. General rideability is more important than formal precision.

Judging the 5yr old

The horse should be listening to the rider, quiet mouth, no swishing tail or teeth grinding. Willingness to collect, short moment of collection may come and go. Balanced in all 3 paces. The impression should be that the horse is carrying himself and the work looks easy.

Must be ridden in a way he can cope with the test. Too much rider created tension is wrong and leads to artificial paces.

Minor Mistakes for the 5 yr old

- Moments of tension at the beginning of the test with slight concentration lapses but improving throughout the test,
- Halt not completely attentive or straight,
- Transitions not exactly at the markers,
- Slight and momentary crookedness,
- Canter wrong lead, but immediately corrected,
- Short break of pace e.g. falling into trot during canter work but immediately corrected,
- Simple change of leg with 2 or 6 steps of clear walk in between instead of 3-5 steps,

Canter

For top marks the canter should be effortless, balanced, relaxed, ground covering and uphill.

Be sure to watch the stretch half circle at trot at the end of the 5 year old test. This is one of the most important movements of the test. Why?

Stretching on a long rein

This is asked for in order to have a final impression about suppleness. Here the Judge can observe whether the horse is swinging in the back, supple/well-balanced, relaxed, obedient, and knows to follow the contact the rider must lengthen the rein and the horse stretches gradually forward/downwards, always maintaining a steady contact with the rider's hands, showing good activity with the hind legs stepping well under the horse's body. During the retake of the reins the horse must accept the shortening of the reins without resistance

6 Yr Old Tests - showing the ability to carry and collect

Equates to a normal dressage level of medium standard. Looking for ability to collect in trot and canter. A higher degree of submission and obedience including simple changes, flying changes, shoulder-in and half passes.

The development of collection leads to - increased engagement of the hind legs, increased lightness of the shoulders to give top marks we are looking for absolute regularity + uphill + freedom of the shoulders. Paces should be elastic with clearly defined transitions. Incorrect training cannot score high marks.

Give and Retake the Reins in Canter

This exercise allows the evaluation of the self carriage of the horse and whether the contact is correct or not. For two or three strides the rider moves both hands forward along the horse's neck, giving up the contact with the horse's mouth. The horse maintains the same position of head and neck.

Minor Mistakes for the 6 Yr Old

- We are not looking for the same accuracy and precision as in normal tests.
- Starting/ending the lateral movement not exactly at the required marker.
- Losing the bend at the end of the lateral movement.
- Flying change not exactly at the required marker.

Submissiveness - The test sheet

- 4YO – Contact, Straightness, Obedience, Responsiveness to the aids of the rider;
- 5YO – Suppleness, Contact, Straightness, Obedience, Ability to self carry;
- 6YO – Suppleness, Contact, Straightness, Obedience, including flying-changes, shoulder-in and half pass.

Submissiveness - What to look for:

- Steady connection – not avoiding,
- Watch the poll is not too low with the nose behind vertical,
- Not leaning on the bit,
- Horse trusts the rider, and is concentrating on the riders aids,
- Suppleness shown in 2 track work,
- He is not avoiding the contact especially in transitions,
- Good rideability and adjustability.

Important

If submission is so bad that it interrupts the pace, it has to be noted and influences the mark in that pace as well. Self-carriage and appropriate relative elevation are asked for, but each is related to the stage of the horse (4,5,6 year olds) and his level of training. A more horizontal frame is acceptable for the 4 and 5 Yr olds.

How to Evaluate the Flying Changes in the 6 Yr Old

- The flying changes need to be initiated in the correct way from behind and ideally should be well balanced but do not have to be precisely placed.
- Quality of collected canter before and after.
- Straight, uphill and fluent.
- We don't want to see a shorter stride in the change.
- If not achieved then this has an influence on the Submissiveness mark and GI, not in the canter pace.

Perspective

Potential as dressage horse and the standard of training (on the basis of the training scale).

The emphasis here is on

- three correct basic paces with quality,
- the standard of training according to the training scale,
- Potential and suitability as a dressage horse including conformation, temperament and expression,
- Suppleness and the degree of ease with which the horse is able to perform the movements.

A horse which has the potential for high level Sport has to be preferred to a horse that completes the test in an obedient manner but has no real ability to proceed to the higher levels of dressage. Is the horse on the right way? Can it go to higher levels? PSG? BUT Potential CAN NOT compensate for lack of obedience or lack of performance of the special difficulties of the level.

Guide to Marking

9 - 10 = Top Horses, Good training

8 = Good Horse, Good training

7 = Good Horse, a Few Mistakes

6 = Good Horse and Bigger Mistakes or Average Horse

5 and below = Serious Problems or Horse With Barely enough Potential

Guidelines

If one poor pace eg. one you have given below 5.5 then GI cannot be more than 6.5 and most likely less. If generally following scale of training but some small resistances to contact then 6.5 to 7.4.

For 7.5 + must show promise in all 3 paces and generally on right way (4 year old could still be a little unbalanced in the canter).

8+ - shows balance and expression in all paces. Accepting contact and smooth transitions.

Fundamental Training Errors

Will generally lead to lower marks being awarded - examples are:

- No regular correct beat in one or more of the paces obviously unlevel rhythm,
- Tension - not swinging in the back,
- Lasting contact failure - contact to the mouth is not correct (open mouth, tongue drawn up or hanging out),
- Neck is too high, elevation is not in relation to the bend of the hindquarters – not through,
- Serious crookedness,
- Insufficient engagement of the hind legs - Stiff and not engaged hind legs.

How to Judge Young Horse Classes

Can use decimal marks. Keep a running score of each mark for each horse to help you with the ranking for each movement.

Judging Together

Classes should be judged together and normally have either 2 or 3 Judges. Must have a very good writer with dressage knowledge. Where commentary is provided for (and we should do this from State Champs up) need to have one Judge who will be the commentator.

Discuss which pace is the best. Then it is easier to score the rest – are any of the paces the same or lower. For the General Impression mark – is the horse on the right way? Can it go to higher levels? Can it become a Small Tour horse? Remember that the potential of the horse cannot compensate for lack of obedience or lack of performance of the special difficulties of the level.

Summary - Priorities of the Judges

- Absolute regularity of the walk, trot and canter,
- The natural ability of the horse, through its conformation and make up, to engage the hindquarters easily and to be able to “carry itself in an uphill” way of going, with light and mobile shoulders,
- That each of the three paces shows a natural ability to develop collection and extension without any loss of cadence or regularity,
- That - as a result of the correct training - suppleness, straightness, balance and a confident desire to go forward are clear to see - producing light cadenced elastic steps with the horse in a clear self-carriage.

Dressage SA

From The Committee

It has been a busy first half of the year for Dressage with lots of outstanding performances and personal bests achieved at competitions around the State. On a Committee level Dressage SA has seen a few changes with the resignation of our Co-Chair Brigitte Drinkwater in late March, as she needed to take a step back. The Committee wants to acknowledge Brigitte's significant contribution to Dressage in SA as we saw the re-emergence of the Committee through the Working Party. Brigitte was Chair of the Committee and then Co-Chair with Veronica Hannam.

Brigitte has worked incredibly hard for us all to ensure that Dressage in South Australia has developed and progressed despite the impacts of Covid. She has consistently guided and consulted to ensure the best interests of all have been in the forefront and she has kept the Committee on track and focused. Thank you Brigitte, we wish you the very best! With this change Veronica Hannam is now the Chair and Julia Weir is the Vice-Chair.

Unfortunately for Dressage, but fortunately for the office, we also lost Judy Clutterbuck as she has left us to work in the ESA office. Judy is on a leave of absence from the Committee, whilst on contract in the office. We were very fortunate to have Catherine Skinner agree to fill Judy's position. Thank you Catherine: we appreciate your willingness to step up.

The final change to the Committee is the resignation of Samantha Coleshill. Samantha did a fabulous job co-ordinating and running this year's Gillian Rolton Youth Development weekend. Thank you Sam: we wish you all the best with your future endeavours.

Mary Seefried Visit

Dressage SA

A big thank you to MCDC for helping DSA to run this competition, designed especially to help Judges in their education. The feedback from the Judges who attended was very positive. Thanks must also go to Judge Mentors Helen Whittle and Rai Walla for mentoring on the day! Congratulations to the winners; we're sure that the prize money that was up for grabs came in handy.

Sunday morning saw Mary giving Protocol sessions to some of our Squad and HOTY riders before her fabulous Masterclass - A Judge's View. This was a fantastic event and was full of insights and educational tidbits that will help us all in our test riding and judging. A big thank you to our demonstration riders. You all did an amazing job and were beautifully presented as Mary took us through the requirements at each level.

The final day of Mary's visit saw her working with our SA Squad members. This was well received by the Squad. Each member was given the opportunity to have a Protocol session with Mary to help them hone their test riding skills.

Important Information

- * Riders please be aware that the Dressage SA Performance Medal Scheme document has had a few minor changes made to it and is now up on the website. A list of medal recipients can be found on the website.

Southern Vales Dressage Club is a Not-For-Profit organisation which is located in the Aldinga Sports Complex on Port Road, Aldinga.

We run competitions once a month, offering dressage tests for all standards. Our members range from those just starting out in dressage to Grand Prix and professional riders. We also run Championship events, Critique days and Clinics.

We welcome all new members - no matter what level or experience.

Even if you don't ride or own a horse, you can still be involved in dressage because helpers are always needed at events to assist with the many tasks involved in running a competition. It's a good way to start getting involved.

Up to Advanced

Judges: Barrie Stratton

Entries: Nominate.com.au

SFDC has really blossomed over the past few months, with 12 new members joining in the past eight weeks. Our May competition was one of our biggest events (not counting the Masters Games!) with 61 entries and 24 horses entered, spread over the dressage and showjumping competition. Our SJ series is really opening our Club up to riders who may not have ever thought to join a Dressage Club -because let's face it, dressage riders are a special type of person *laughing face emoji* but also *facepalm emoji*.

June marks the start of our annual Winter Series competition, spanning over the winter months. It's tough to keep a horse in work over winter in the elements so we always try to have great prizes at the end to reward those efforts. Thank goodness for fleece lined jods!

Keep an eye on our Facebook page for upcoming events, or drop me an email to be added to our email list. Happy Riding!

President's Report

Greetings to all - how quickly the months are flying by.

Our April weekend was a very successful and educational experience for those who participated. On Saturday we had a Protocol day with an Unofficial competition in the afternoon. There was a bit of adventure with the Soccer Club playing on the other side of the fence, causing some horses to give their undivided attention when it was not required ... however everyone coped. Thanks again to our Judges / Instructors: Ruth Schneeberger, Jody Cavuoto, Linda O'Leary and Kerry Kirchner. On the Sunday we held an Official Competition, with plenty of entries.

Our Club Championships on 2 May had a separate Interschool competition. There were five arenas in total and it was a fantastic sunny day. Many thanks to our Elite Sponsor for this event: Horseland Mt Barker - for supporting us again and providing prize vouchers and the lovely fleece Champion rugs. Also thank you to Plum Tack, Farmgate Services and Goodings Fodder at Macclesfield who all provided prizes.

Congratulations to the winners and to all the competitors for participating. Please make sure the Sponsors hear from you to show your appreciation.

There was a free sausage sizzle at lunchtime and a huge thank you to Travis Kemp - Sausage Chef Extraordinaire!!! Maidments Meat Service from Strathalbyn supplied the yummy sausages.

On a different note the Committee has decided to invest some money into improving the surface of the grounds so we have contractors booked to do vertidrainage and fertilising. This commenced on 26 May. It has been three years since the Showjumping Club did a similar thing so it is long overdue and should make a big difference to the surface.

The Grounds Committee held a Combined Training Fundraiser on 9 May. It was a fantastic day with three dressage arenas and showjumping from 45 cm to 115 cm. Thank you to our Dressage Judges: Geraldine Fenner, Adele Curry and Louise Allen for donating their time on Mothers' Day. Also a huge thank you to Cathy Kluske for computing the scores, Jo Cullen for pencilling and Bernie on the PA.

Kerren Hampton is to be commended for the effort she put into organizing the event and all the other Club representatives who 'did their bit' to make it such a success. Close to \$4,000 was taken in entries but a few expenses will need to be deducted before we know the final result.

We now have a Safety Fence in place between the Soccer field and the Equestrian grounds which should reduce the risk of accidents occurring when both sides are being used at the same time.

Keep safe, dry and warm.
