## Helpers Levy

In order to run competitions we require volunteers to help out in the lead up to and on the day of competition. In the past we have asked for volunteers, however, due to lack of volunteers we are now enforcing a rule for all South Australian competitors.

Every competitor must nominate 1 person who is able to help for half of the day of competition. If you are unable to provide a helper then a **helpers levy of \$15** will need to be paid.

Competitors are able to be nominated as a helper if they are competing in only 1 horse class.

Each helper can only be nominated by 1 competitor. If the helper you nominate has already been nominated by another competitor then your nomination will not be accepted and you will be emailed to notify you of this.

You can then either nominate another person or pay the helpers levy.

A jobs roster will be sent out before the competition day.

## Music - Please note the following with care

All music for running in/out, compulsories and freestyles is to be submitted **no later than Wednesday 28<sup>th</sup> August**.

Please read the following information about how to submit music carefully:

1. There is only one way of **submitting music**:
  - a. All clubs / competitors must use Dropbox [www.dropbox.com](http://www.dropbox.com) to submit their music. An invitation to a Dropbox folder will be sent to each club. All music must be uploaded into this folder in the appropriate format and named correctly (see below).
  - b. CDs/USBs will NOT be accepted. Alternative arrangements will only be made in exceptional circumstances.
2. Each file must be clearly **labelled as follows**:

eg "John Smith, Adv Ind, Compulsories, Class 2"
  - b. where the club uses compulsory music is the same for everyone as follows – AGVC Preliminary compulsories. This will be similar for the run in music also.

### **Music not labelled correctly will not be accepted**

3. Music must be submitted in **MP3** format. **Music not submitted in this format will not be accepted.**
4. A **final check** to ensure all the music has been received cannot be done until the final Order of Go has been distributed. Clubs / individuals are responsible for keeping their own list of what music they need and what has been sent through.
5. It is essential that all clubs / individuals **bring a copy** of all music on a flash drive to the competition in case a file has been mislaid or corrupted during the sending process.
6. Any music that is not accounted for will be replaced by a random piece of music on the day of competition.

If you have any questions or concerns, please contact [Alix Bell](mailto:alix_photography@outlook.com) on [alix\\_photography@outlook.com](mailto:alix_photography@outlook.com)
